

## Earl Duke to Receive Doctor of Medicine

WAVE 6-6-68

The University of Utah is pleased to announce that Earl Lawrence Duke, 35 "O" St., Salt Lake City, Utah, is one of 727 students who are candidates for advanced degrees at its ninety-ninth annual commencement on June 7.

Mr. Duke, a son of Mr. and Mrs. Alma H. Duke, 325 East 5th North, Heber City, Utah, is a candidate for a Doctor of Medicine degree.

Mr. Duke, a graduate of Wasatch High School, Heber City, Utah, received his B. S. degree from Utah State University in 1964. He is married to the former Connie Leavitt, Kamas, Utah.

Mr. Duke is a member of Al-

pha Epsilon Delta (honorary premedical fraternity) and a past member of Delta Phi Kappa (returned missionary fraternity).

After graduation, Mr. Duke will interne at Brooke General Hospital, San Antonio, Texas, followed by service in the U. S. Army and a Residency in Obstetrics and Gynecology. He plans to practice in Utah eventually.

There will be two commencement ceremonies. The University will hold one large commencement exercise in the Ute Stadium on Friday evening in which all of the University Graduates, faculty and administration will participate.

The commencement speaker will be Dr. J. E. Wallace Sterling, president of Stanford University. Honorary degrees and the earned doctorate degrees will be conferred followed by Dr. Sterling's address. Graduate degree recipients will be hooded on the platform and will receive their diplomas.

All other graduates will have their degrees conferred upon them, but the actual awarding of the diplomas will take place the following day at separate convocations for each college where each student may be individually recognized.

The June graduating class will number about 2,403 which is 205 more than in June 1967. The University of Utah's 20,000 students come from every county in Utah, every state in the nation and more than fifty foreign countries.
